

In Honour of Gary Childs - May his shining light continue to inspire.

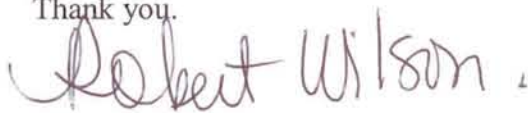

It is with great pride that we announce the establishment of *The Gary Childs Endowment Fund* in support of Broadcast and Electrical Engineering students at Gary's alma mater, Mohawk College, in Hamilton, Ontario.

Gary Childs began his successful career in aerial photography in 1976 and through his passion, dedication and vision, he quickly became a leader and an icon in the entertainment industry for both his technical and artistic ability. Gary's intense and extroverted personality was perfectly suited for the broadcast and cinematography industries, while his skill and operating knowledge created high demand for his aerial photography work around the world. Earning a Primetime Emmy Award in 1990 for Outstanding Technical Direction-Camera work and a Golden Rings Award for his aerial images of the 1992 summer Olympics in Barcelona, his ability to capture outstanding aerial images for film, sports, events and productions was highly recognized. Over his 25 year career with Wescam and later Pictorvision, Gary inspired the careers of many operators through training, support and mentorship. These operators are now the who's who of aerial photography across the globe - an accomplishment Gary was specifically proud of.

An endowed, scholarship fund in Gary's name provides not only the opportunity to continue his passion for bringing new and better imaging technologies and solutions to the entertainment industry, but also provides people whose lives he touched with the opportunity to share his light with others - so that he may continue to inspire. Please find enclosed a donation form for your support. The Province of Ontario will match each dollar raised. Once we have established the fund up to \$460,000, the Province will increase their support to three dollars for every dollar donated. This is an incredible opportunity to generate significant results for students, the industry and his legacy.

Gary Childs will be missed, and with your support you can help to ensure he will not be forgotten.

Thank you.

Robert Wilson
